

Our/Ref.: Koyo Logo

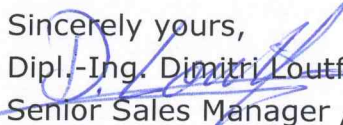

16.11.2012

Dear Partner,

Following the acquisition of the Needle Roller Bearing Division in 2010, JTEKT has announced full brand integration starting on 1 January 2013. Needle Roller Bearings, branded Koyo-Torrington until the end of 2012, will now bear the Koyo logo exclusively, thus adding to the very complete range of Koyo ball and roller bearings.

The decision is justified by the advances in the integration of the ball, roller and needle bearing businesses under the umbrella of JTEKT. Therefore, starting on 1 January 2013, for all your bearing needs, there is only one name you need to know: Koyo.

Sincerely yours,

Dipl.-Ing. Dimitri Loutfi
